THE NORTH CONGREGATIONAL CHURCH:

SPRINGFIELD, MASSACHUSETTS.

ANNUAL—1872.

CALENDAR AND DIRECTORY.

## THE CHURCH ROLL.

The Actual Membership—1872, Feb. 1.

Nos. in first column refer to the Church Catalogue or chronological register of Membership.

Under "Admission" is shown, first the date; then the mode—whether by Letter (Let.), by Restoration (Res.), by Profession of Faith (Pro. or Pr.), by Baptism (B.)

Names are in alphabetical order, except that members of the same family are arranged together. Married women are designated by name of husband (in brackets). Women formerly married, but now without husband, are marked [Mrs.].

In the column after "Residence," each name is assigned to its District (Dis.), and Section (Sec.) in the Congregation; the five Districts being marked C. for Centre, S. for South, W. for West, N. for North, E. for East; then, the Sections in the Roman numerals. In the same column non-attendance is noted as follows:—non-attendants [—]; non-residents [—]; and any figures following show in each case the No. of Annual Meetings at which the Name has been read from the List of Members Untraced. (After the fourth reading, being three years from the first, a Name is dropped from the Roll.)

Under "Notes," relationship is shown by reference to Chr. No.; and by the Letter, if it be a different one, under which that No. may be found on this Roll.

Abbreviations.—f, father; m, mother; s, son; d, daughter; b, brother; sis, sister; chh, church; st, street; ave, avenue; crt, court; cor, corner; blk, block; r, rear; Ho, hotel or house; temp. abs, temporarily absent.

## SUMMARIES.

Church Members: Total No. on Roll, 1872, Feb. 1—367 (Male, 133; Female, 234.) Of the above No., there are non-attendant, 107; of which 82 are non-resident. The above Roll of Church Membership represents about 150 families; besides which there are in the Congregation about 75 families composed of members of other churches, or members of no church; making a total of 225 families (with probably 1000 persons) in connection with the Parish.

Below is given an Additional List of those Families of the Congregation, in which is no member of *this Church*; though among them are many members of other churches. In this List neither completeness nor entire accuracy has been secured. Some of the Families are represented in the Congregation by only one individual. A few names are inserted, of pew-holders who are attendants in part at other churches. The figures following Residence, show District and Section.

## THE CHURCH AT WORK.

It is desired, soon, to carry into effect the Rules which the Church has adopted for *Work*. This *Work* has reference, *first* to the Congregation or body of stated attendants, *secondly* to a territory assigned as a Field for thorough Christian labor; but it is proposed now to make a beginning with *Work among the Congregation* only. For such beginning about twenty persons are needed, of whom two-thirds may be women—persons not in feeble health, and not already overweighed with business or household cares. Are there not some who are dissatisfied with themselves because of their doing so little for Christ—some who are ready to welcome an invitation into ways of Christian usefulness—who, by enlisting in this band of Workers under church regulation, may come into a way of humble service profitable to their own hearts and acceptable to the Master?

The Minister affectionately and urgently requests that any who are willing to act as Visitors, give him their names without delay.

The Master saith—"*how much as ye did it unto one of the least of these, ye did it unto Me.*"
